MTB Coordinator Monthly Report

Date Submitted:	May 10, 2011
Submitted By:	Dylan Harris
Comments & Updates	-First MTB race a success (Brandon Cup #1) -49 pre registered and 79 ish attended. -A&L Cycle did great job and were enthusiastic about continuing as an organizer in the future. -Issues on the go are to schedule a Canada Cup Committee Meeting. -Develop the IMBA trail crew package / proposal for Falcon Lake for Spring of 2012
Issues & Concerns	

-Need to explore further opportunities / incentives for commissaire development and training, as a shortage for Brandon was narrowly averted.

-What is the state of repair on the timers sent to Toronto. Technical difficulties were experienced in Brandon with MCA timer.

-There were some oppositions to the absence of a Kids Race, although the overall atmosphere seemed efficient with the race starting on time and a the course being well marked.
