

BISON BUTTE

Bison Butte, located at FortWhyte Alive, is a technical Mountain Bike course that is being designed and developed for the 2017 Canada Summer Games. There are many challenging features including drops, rock climbs, berms, rollers, and tight turns.

Please be advised that the course is currently open for MCA sanctioned/approved activities with MCA members only.

Unauthorized use is not permitted at this time as the course is still in development.

For sanctioned activities please be reminded of the following:

- Wear a certified Cycling Helmets. Be aware of your helmet's lifespan. [More details here](#)
- Stay in Control. Do not ride outside of your ability level
- Don't ride on trails are are wet or closed

For information on sanctioning of activities and Risk management requirements of all MCA clubs please visit <http://mbcycling.ca/club-information/>
