

INDIVIDUAL MEMBERSHIP OPTIONS:

- **General Membership**- a non-racing membership that gives you insurance coverage at scheduled/approved rides and events thru MCA affiliated clubs.
- **Manitoba Citizen Race License** - an adult introductory race license which allows riders to participate in MCA sanctioned events, and allows racers to become more active in the racing scene beyond club activities. The Citizen License is purchased by riders who wish to compete in Manitoba only and is valid for participation in Provincial Championships. If racing at a National, Canada Cup or World Cup event held within the Province a UCI license is required. Citizen license holders may only compete in the **entry level category** regardless of age or ability. Cup points can be collected but you are only able to use them if they upgrade to a UCI license. Both CGL & AD&D insurance is included in this license type as long as you are participating in MCA sanctioned cycling activities.
- **UCI Race License** - is a multi-discipline race license which allows you to participate in all MCA/CCA/UCI sanctioned races and events for one calendar year. License holders may move up categories based on ability. This license type includes an automatic free subscription to Pedal Magazine for the season. There are two UCI license types: UCI 18+ (for age 18 and over), and UCI U18 (for age 5-17, including Kids of Mud).
- **TECHNICAL LICENSE** - A technical license is required for all persons involved in the competitive aspects of cycling. It is required for the below designations and can be added to the general membership or race license free of charge:
 - Association Representatives
 - Commissaires
 - Coaches
 - Managers
 - Organizers
 - Masseur/Paramedical assistants
 - Chauffeur (caravan drivers)
 - Mechanics.
