Comments & Updates	<p><b>ATAC-</b> Here is a Provincial press release link. A little political show-boating in an election year © <a href="http://news.gov.mb.ca/news/index.html?archive=2011-6-01&amp;item=11911">http://news.gov.mb.ca/news/index.html?archive=2011-6-01&amp;item=11911</a></p> <p><b>Winnipeg Cycling Map-</b> The final 1400 are being released this week leaving 2500 for reorders and the "oh crap I forgot" moments. Turn-around time is 3 weeks for printing and the runs are 7500. They have been a big hit with just under 22,000 in distribution.</p> <p><b>Winnipeg In Motion-</b>Red River Ex - we were not represented this year.</p> <p><b>Can-Bike-</b> Nothing new to report</p> <p><b>Muddy Waters-</b>Everything is falling into place for Aug 7th</p> <p><b>Bike to work Day- BTWD follow-up</b>  <a href="http://biketothefuture.org/news/archives/2011/06/29/bike-to-work-day-follow-up">http://biketothefuture.org/news/archives/2011/06/29/bike-to-work-day-follow-up</a></p> <p>MCA hosted a Pit Stop on the Northeast Corner of Bishop Grandin and Dakota, right on the Greenway. Here is the forensic report from Twila on our Pit Stop: <a href="#">"Learnings" "Recommendations"</a></p> <p>Consider Changing Pit Stop hours to 6am-830am. We had very few visitors between 8-9. Most came before 630 because they wanted a free t-shirt.</p> <p>T-shirts Very Popular (could a sponsor be found to cover costs/print more shirts? free advertising for BTWD next year. Need to print more larges).</p> <p>Needed cups for water. Most didn't have a water bottle to fill up and we ran out of coffee cups.</p>

	<p>Instead of full donuts and muffins go with smaller timbits.</p> <p>Tim Hortons did not know about coffee/donut pickup when Mike arrived. Not sure if they didn't have his name or where not aware of event.</p> <p>Great work re-organizing pit stops, banners for tables, coffee and donuts.</p> <p>Free Cycling Maps were a hit.</p> <p>Consider having a hand-out for the BBQ event (time, location etc).</p> <p><u>MCA Notes:</u></p> <p>We had Prov team and 4-5 additional volunteers at table which kept the table looking well occupied and I think attracted more commuters.</p> <p>Volunteers: Mike, Rob, Currie, Dave, Twila, 3 fr prov team on trainers (Ari, Kelsey, Oliver).</p> <p>Coun Gord Steeves attended</p> <p>Great location (Corner of Bishop Grandin and Dakota). Difficult to get to in terms of dropping off tent/equip/and supplies. (can't stop on Dakota).</p> <p>Participants were waiting at location when we got there (600-615). Set-up earlier.</p> <p>Handouts: Muddy Waters, Bike to the Festival , Maps (needed a 1/2 box), 1 meter signs with pins, cca handout.</p> <p>Posted Directional signs down bike path</p> <p><b>Cycloviva/Many Fest</b> - Nothing new to report</p>
