<p>I have just spent a huge amount of time involved with Dylan in MTB coordinating. With the falcon race cancelled by the previous organizer we were left with the option of posting a cancellation online or taking it into our own hands. With plenty of assistance from many others the event was successful with 43 participants.</p> <p>I continue to receive both positive and negative comments from various parents/ coaches and athletes about the new MB Cup/ youth cup series and I continue to tell people the reasons for the decisions that were made by the board and that at the end of the year there will be a town hall meeting where i encourage them to come express their feelings about anything.</p> <p>The next MB Cup ( June 25 ) has been cancelled by the organizer and we are left without a venue. After sending out a call for help to all clubs we have had Tomek and Wayne from Olympia step forward as organizer and we are acting as Volunteer Liason to ensure they have all the assistance they need to pull off a successful event, venue has yet to be confirmed but Grand beach looks most promising ( with a slightly changed course)</p> <p>Prov Program;</p> <p>Our WCSG team has been selected and notified and the first mandatory event for WCSG participants went well ( falcon MB Cup). The team will continue to attend mandatory events which are</p> <p>Team Time Trial (June 15)</p>	

**Provincial ITT (July 24)**

Training Camp July 25 – 26. This is a team building event that will happen in the falcon lake/ Kenora area. The same “camp out” style training camp was a big success with the 2009 Canada Summer Games team in Riding Mountain.

WCSG Team clothing has been ordered.

We received and reviewed all of our applications for assistant coaching and mechanic positions with the Prov team. We have selected appropriate Asst. coaches for important events and decided which events the Prov coach will go to. These races include

Espoir road nationals- Jay present with female parent chaperones

Jr road nationals- Jay present ( yet to confirm Lindsay Argue as assitant, female athlete undecided)

Mountain Bike Nationals – Jay present, Ruth Schappert Assistant

WCSG- Jay present, Lindsay Argue manager ( female only position), Dan Peters Mechanic
