

Tinker Creek Cycle - Back 40 - 2012 Results

Thanks to the 116 racers who braved the wet forecast and dark skies and came out and supported the Back 40 again. You all deserve a huge congrats on riding those slick trails. We were amazed how many walk up racers we had & wonder, what we've got to do to get more to pre-register? Huge thanks to all the volunteers & the sponsors. Conditions were very difficult with the rain, but thanks for making the best of day. We hope you all had fun.
