Kids of Mud and youth race licenses (under the age of 17 that are not in the KOM program) have the same license type. Both are the U17 UCI/CCA License. These licenses require a photo and a signed paper copy of the waiver. Only a parent or legal guardian can sign the waiver. The MCA office must have a filed copy of the original waiver on file. Waivers are kept for 10 years.

The Citizen Race license is available for purchase for adult racers. All racers must race in the beginner ability category only. If they want to move up to a more competitive category they need to upgrade their license to a UCI/CCA adult license. Citizen licenses can now be purchased annually (no one year restriction). License holders may race in the Provincials (upgrade to UCI not required).

General members must upgrade to a racing license type in order to race (i.e.: Citizen race license or UCI race license). The exception would be if the organizer has purchased commercial event insurance for non-members in advance to the race.

Note: There is a \$10.00 savings when licensed are purchased in advance, online.
