ASSEMBLY AND SEEDING:

Riders will assemble 10 minutes before the scheduled race start and not be seeded.

RACE COURSE:

The course will be run clockwise on the Lido Plage loop. It will start/finish near the entrance to Camp Assiniboine on pavement. It is a 10km loop, almost exactly 50% gravel and 50% pavement. I would recommend using the widest road tires you can if you're using a road bike, or even better would be to use a cyclocross bike.

ALSO:

This is important; there is no liquor licence. As such please don't consume alcohol or supply it to any of the racers.
