

“Responsible Coaching” Standards Policy

Purpose

The purpose of the “Responsible Coaching” Standards Policy is to set out the guidelines of coaching standards, for all coaches and sport leaders of affiliated Clubs and programs associated with the Manitoba Cycling Association (MCA). The MCA is committed to creating a sport environment where all individuals are treated with respect and dignity. Coaches are placed in a position of trust and are an integral part the athlete experience in sport, and therefore coaches have a responsibility to create a safe sporting environment for all participants that is free of harassment and abuse.

The MCA requires that all coaches participating in any MCA sanctioned activities complete the following Responsible Coaching standards to be considered active with the MCA. Only active coaches who have met all their Responsible Coaching Standards will receive accreditation on their MCA license and be recognized as an active coach at an MCA sanctioned event representing your club or in any one of the MCA’s programs (i.e., Kids of Mud, Youth Summer Program, Provincial Program).

Scope and Application

The Policy applies to all coaches registered with, named on an official sport roster, or under the jurisdiction of the Manitoba Cycling Association.

Any coach not having completed their coaching standards in the timeframe documented here, may be removed as a coach until such time that all coaching standard requirements are completed.

Handling of Information

The Provincial Coach or coaching staff will administer and review all information obtained through the MCA Responsible Coaching Standards Policy. All information received because of the policy will be kept confidential, and the results will not be disclosed to anyone other than the board director responsible for coaching or the Coaching Subcommittee.

Should information be found that would prevent a coach applicant from being accepted, the Provincial Coach will be responsible for issuing a required written notice to the coach in a confidential manner. The coach applicant is responsible for taking appropriate action to have the results corrected if they believe the information was reported in error.

The Provincial Coach is also responsible for securing the results of the Responsible Coaching Standards Policy in a safe and secure location, and keeping them for the time required by law.

Disqualification

The coach applicant will be denied MCA Coaching status and prohibited from serving as a coach (volunteer or paid) for the MCA or an affiliated club until he/she has completed all requirements set forth in the Responsible Coaching Standards Policy. Any coach applicant that has any pending charges to any offenses on their criminal record check or Child Abuse registry forms will be denied coaching status until such offenses have been acquitted or dismissed. Should an approved coach subsequently have any charges brought against him/her during their service to the MCA or affiliated club, they will be required to immediately disclose the nature of the charges to the Provincial Coach and voluntarily terminate their coaching duties until a decision is made by the Coaching Sub-committee regarding the effect of the pending charges on the coach's functions within the programs. Any offenses where the person has been found guilty will be subject to the following timelines:

- 1) All sexual offenses, regardless of the amount of time since the offense – **Lifetime denial**. Examples include, but are not limited to:

Careful consideration will be given to the nature of the offense, the rehabilitation of the individual, and the offense as it relates to the position being applied for and the potential risk to children.
