Prizing:

~Locally we always have equal prizing between Male and Female Categories and have since I can remember  
~\$900 was divided up between 1st, 2nd, 3rd palces in 9 categories between male and female (54placing)  
~race profit will be pushed back to the facility, and the volunteers who keep the place going for rides, kids events, and races.  
~As well there will be some money devoted to new Commissaire uniforms.  
~ There is less than \$5 profit per racer and this includes the kids which are run at a loss.  
~If anyone is interestied in a more detailed financial break down of the finances please email me.
