

May 1 Grande Pointe Criterium

This fantastic venue consisted of very little traffic on 1.7 km of perfect pavement. The rain in the city and cooler temps kept many racers from experiencing it. They will get a second chance on May 15! The May 1 races were altered to allow everyone to race with a larger group. All 3 categories were sent out together.

Thanks to;

- The Provincial Program Parents (& Terry Macyk) for registration/marshalling/medic duties.
- Paul Warkentin (Industrial Park owner) for cleaning the roadway and enthusiastically letting us race there.
- Commissaires; Nicola (chief), Jessica and Candace. As well as Arlene training Nancy.
- Jay and Mary for final course prep.
- Mitch for riding with the group and providing teaching points to the racers.
