

SAFE SPORT WEBINAR FOR CYCLING CLUBS

The Director, Sport Safety from the Coaching Association of Canada will be hosting a Sport Safety webinar for Cycling clubs on May 6 at 7 PM EST. The webinar will focus on building awareness and presenting best principles for risk management through the Responsible Coaching Movement, Rule of Two, policies and practices. An opportunity to ask questions and share ideas will be provided during the webinar. The presentation will be in English but material will be available in French and participants will be able to ask questions in French.

This webinar is a joint initiative with our provincial/territorial Cycling organizations.

When: Wednesday, May 6th at 7 PM (EST)

Duration: 60 - 70 minutes

Targeted audience: Youth coaches / club coaches / club administrators

Registration link: [Here](#)

Registration deadline: Monday, May 4th at 11:59 PM (EST)

Cost: Free

Capacity: Due to the maximum number of users permitted in an Adobe Connect meeting, we will be limiting the number of participants to **95 registrants** for this webinar. Registration will be granted on a first-come first-serve basis.

OUR COMMITMENT TO SAFE SPORT

Cycling Canada is committed to providing our athletes, coaches, officials and volunteers with a safe and inclusive environment that fosters and preserves a positive, healthy, and enjoyable experience for all individuals. We embrace our responsibility to cultivate an environment that is free from abuse, harassment and discrimination, and we encourage individuals to feel empowered and comfortable reporting any behaviour that breaches Cycling Canada's Code of Conduct.
