

MANITOBA CYCLING ASSOCIATION

MCA AFFILIATED CYCLING CLUBS – 2020

Last update: May 21,2020

There are many types of cycling clubs in Manitoba: racing, recreational, youth development, and sometimes a combination of all three.

Clubs select and mentor volunteers, organize races, club rides and other activities. They select club representatives for MCA programs and race committees.

Clubs need “Club Members” in order to continue to offer sport and recreational activities. Please contact the clubs listed below to find out details about their membership and benefits. Can’t choose one...join multiple!

Club interested in affiliating with the MCA may do so online here:

<https://ccnbikes.com/#!/memberships/manitoba-cycling-association-club-sanctioning>

For more information on club benefits contact the MCA at 204-925-5686
