How this is going to work with Covid-19

- We will have volunteers in charge of physical distancing, who will be walking around asking you to keep your distance. Please show them respect and follow their requests as they are ensuring that we are maintaining the requirements necessary to be able to have the races.
- **Registration** will be done completely online and there will be no race day registration available. You must have an MCA race license or Tri MB Membership to participate
- If you need a **race number**, we will have one for you at the race. However, we are asking everyone to reuse their numbers from last year if possible.
