This will include a request to confirm attendance one week in advance. Agreed that it will publish as 3 rd Wednesday of the month, time and location TBD. 03.18 Confirmed that the Constitution and By-laws only refer to members attending the AGM, not Board Meetings. In a survey of other associations, some do not, some do permit members. None have it documented in their constitution. It was noted that we also cannot attend Sport MB meetings - need to elect a PSO representative. Minutes are posted, and provide the membership with the ability to stay aware of the Board's progress. It was reminded that Board discussion is done within the privacy and confines of the Board membership. All of the Board members are elected by the membership, and thus represent the membership. An amendment to the constitution can only be done at the AGM. Agreed that we provide the ability for a member to present to the board upon request, and this be done prior to the Board meeting begins. A guideline for conveying board meeting discussion to the membership would be the motioned items and the action items.	Ron Brown	Jan 9/09 Feb 18/09 Mar 7/09 CLOSED

29	01.21	<p>Ron to approach the clubs for feedback on including club membership in the registration for a GM/Racing Licence. Provide report back to the board.</p> <p>02.18 Mtb Committee meeting spawned this idea; challenging in that club price differences might make it confusing. It was also thought that riders won't leave clubs for another based on price. Suggestion made to offer only to A clubs. Is this an opt-in or opt-out approach? (rather than all or nothing) There are about 11 registered clubs - should offer to all clubs, and is available for racing licences & GM. (GMs can have more than one club)</p> <p>Ron will talk to all clubs; if no opposition, Ron can go ahead. Notify the board by email.</p> <p>Dave provide a list of the clubs that paid the fees in 2008:</p> <p>\$100 - Level A Alter Ego Bikes & Beyond Junk Yard Dogs Woodcock Cycleworks</p> <p>\$50 - Level B Body Drive Sports FOG Gooch's</p> <p>\$25 - Level C Bike To The Future Fort Garry Bike Club Frank Walton - not certain which Club this is Tread The Thunder</p> <p>03.18 An item for discussion in the agenda</p>	Ron Brown	<p>Jan 31/09</p> <p>Mar 18/09</p> <p>CLOSED</p>

32	02.18	<p>Website: Ron will limit work to posting only; not authorize any more work Hal will put together a Roles & Responsibilities document for the Editorial Board - distribute via email. 03.18 Included as an Agenda Item for March 18 Meeting</p>	Ron Brown Hal Loewen	Mar 6/09 CLOSED

20.	01.21	<p>Post the pending opening for Treasurer position on the website. Include skillset and time commitment required. 02.18 The concern was raised that we require a qualified individual that could assume these responsibilities. The notice needs to clarify that we are requesting interim support for the treasurer during Dave's absence in September. 03.18 This will be posted next week; Dave & Ron will document the communiqué. 04.15 .It was determined that Dave's absence is manageable, and the need for an interim treasure is no longer required. The Audited Financials Statements final report for the AGM will be finished prior to his departure.</p>	Ron Brown	Feb 18/09 Mar 18/09 Mar 25/09 CLOSED

26.	01.21	<p>Fund Raising Ideas Texas Hold'Em tournament</p> <p>02.18 License is free - requires a location; generally the tournament will make about 50%. You are required to fill out books - who entered, proceeds and payout. Strongly suggested that there be dealers. Question raised on Sport Manitoba issues? It was also considered that the application could be denied due to Bingos in place. Need to develop a business plan for this as well (combine with #27) Steve will own this.</p> <p>03.18 It was noted that we should give the Texas Hold'Em consideration again in the fall.</p> <p>Golf Tournament Need to develop the business plan for a potential Golf Tournament to determine the break even point of the number of participants required; determine if this is viable</p> <p>02.18 Investigation stalled Make a decision at the next meeting - which event, or none?</p> <p>03.18 Kingswood Golf Course will be providing info; DJ will provide the business plan for holding a Golf Tournament (assuming it is viable). 44	04.15	<p>Medical Requirements - present progress on this to the Board at the next meeting with the intent to establish guidelines and minimum requirements. Ron to find out if CCA has minimum standards for this, or other PSOs.</p> <p>06.04 Medical appear to be consistent across other organizations - standard Emergency Plan (Race Co-ordinator, Emergency Co-ordinator, identifying closest hospital, maps to this identified location, etc). Have created a standard template and will post for all organizers to use. Ski Patrol has not responded to us for discussing their services/fees for services, and thus nothing we can rely on. Suggestion to build our own capacity; contact clubs to organize a first responders course. Hold in February, coordinated with KOM, and build up local capacity. Funding available for this from the government? Hal is willing to take this on as a project in the off-season. Follow-up with the Insurance company - calls for "qualified" with no further definition/standard. Need to determine a mechanism for the number of medical personal required for the size of the event. At the CCA fall meetings - discuss this further with similar size associations. Should have an ambulance within 10 minutes or on site. No guarantee that the ambulance won't be called away. St. John's Ambulance? High cost and varying availabilities. Cost of the ambulance to the rider? Only kicks in if the rider gets in the ambulance; our insurance will cover what Blue Cross does not cover. ACTION Follow up in the fall - Hal's project and the CCA in the fall.</p> <p>07.30 Insurance company only needs to be satisfied that medical staff be "qualified", nor further specifics provided. Generally, it is assumed that the organizer looks after this. Mtb Bike committee implementing an Application that would ensure medical is secured for the event, as well as the Emergency Plan. Responsibility then remains with the organizers to secure their medical. (rather than the office secure a relationship/list of qualified individuals). KOM will host a Red Cross First Aid /CPR such that this will allow them to act as Medical at the events. Manitoba Physical Therapist association was too expensive (particularly with the mileage cost). Have not heard back from the Ski Patrol.</p> <p>09.16 Best Practices session at the CCA meeting - will be raised as to how this is handled in other provinces - report back. Each organizer will be left to continue to arrange this on their own. KOM will offer other committees to send participants. All coaches have to have their first aid. Emergency Plan for Mtb Mike. NEW ACTION; Updating of listing of coaches and minimum requirements to maintain - Moni & Jay Feb 2010</p>	Hal Loewen Ron Brown	<p>May 26</p> <p>September 09</p> <p>CLOSED</p>
