

Bruxelles Spring Classic

April 25, 2010

Bruxelles, Manitoba

Thanks to all those who helped in putting on a fabulous race, the weather was perfect and the setting better. Special thanks goes to the community of Bruxelles who allowed us to use their town for this event. Equally deserving of recognition are all the Olympia Cycling Club volunteers, Andrea and her kids (from Trehern) who thought it would be neat to volunteer for this race – volunteers rock.

Commissaires: Arlene Woodcock (chief), Colin Antaya, John Palmer
