

RIVER ROAD ITT – SETTLERS TRAIL CIRCUIT RACE

I'd like to begin by thanking everyone who took part in this event as it was great to see the number of riders we had out. The weather was nearly perfect, we had what I feel is a great ITT course and then the circuit course was interesting to say the least. All of the riders handled the difficult sections with caution resulting in a great day of racing.

I'd like to thank Larter's Golf Club for offering us the use of their parking lot as a staging area for the ITT, and Bikes & Beyond for their support, both in providing volunteers for the course as well as providing product for the random prize draws. Thanks to Phil, Dave, Roman, Rennie, Jason, Terry, Phil's sister and her daughter who stood in the sun for hours in order that this event could happen. Also thanks to those who helped with sweeping corners on the circuit course just prior to starting. I appreciated your assistance and I'm sure the riders did as well. Also a special thanks to Sandra Schettler who was tasked with medical assistance as well as our officials, John Palmer and Gary Sewell .

The circuit course was a unique course as it runs through a residential area that has never been used for a bike race. I'd like to thank the residents of St. Andrews on the Red for allowing us to use this route and hopefully allowing us to continue to use this course.
