

February 2012 Report – Provincial Program

Submitted By:	Bill Gendron / Jayson Gillespie
Date:	February 2012
Comments & Updates:	<ol style="list-style-type: none"> 1) Sport Science. All services are now being offered to provincial program athletes. First nutrition seminar was open to both athletes and parents in a joint arrangement with Manitoba Triathlon Youth team. Over 60 athletes & parents attended. 2) PP Committee Meeting. Provincial Program Committee met on January 17, 2012. Next meeting is March 1, 2012 3) Spring Training Camp. Okanagan Valley Training Camp is scheduled for March 22 – 31, 2012, and will be a joint project with the Manitoba Triathlon Youth Team. 20 athletes attending this year (13 cycling, 7 triathlon). 4) Provincial Team clothing has been ordered. Scheduled to arrive on March 15, 2012. 5) Van Loan. The Provincial Program committee has agreed to loan the Olympia Cycling Club the van for the Actif Epica event (Feb 18, 2012) at no charge under the agreement that they can put no more than 7 people in the van at one time, and are responsible for fuel, cleaning and any necessary repairs as result of van loan. 6) Trailer. Wheel bearings are being serviced at the Portage Collegiate High School. Service needs to be completely 2-3x per year and will be first time done since trailer was purchased in 2009.
Issues/Concerns/Recommendations:	<p>Provincial Program numbers continue to grow rapidly. As of Feb 2012, we are have 23 athletes actively in the program (11 – Devo, 8 – Performance, 4 – High Performance) and estimate that numbers will be around 35 athletes this summer (~22 – Devo, 8 – Performance, 5 – High Performance). The large number and wide range of abilities is too much for one coach to look after, especially covering two disciplines. The Provincial program needs to hire a summer assistant coach to support the program to allow numbers to continue to grow, but also ensure all the athletes are getting full support with their own development. Additional funding is needed to help cover the estimated \$12,000 expense.</p>
