It was a full day, notes attached.</p> <p>Feb 9<sup>th</sup> attended the public consultation/display at Dakota Community Centre regarding the Red River pedestrian bridge connecting St Vital to the U of M. here is the link to the survey.  <a href="https://www.surveymonkey.com/s/activetransport">https://www.surveymonkey.com/s/activetransport</a></p> <p>Feb 14<sup>th</sup> attended the Bike to the Future meeting. Target date is June 2013. I have agreed to be on the committee. This will be formatted like the RBC Granfondo Whistler as a race within a family event. It is in the beginning stages. I have attached the email communication for your convienience.</p> <p>I can field questions if there are any.</p>
