| Comments & Updates: | <ol style="list-style-type: none"> 1) Sport Science. Sport Science services have been fully integrated into the provincial program for this season. Services include Strength & conditioning, Nutrition, Sport Psychology, Physiotherapy, Massage Therapy. Some support is being provided by the Sport Medicine Council of Manitoba. 2) Provincial Program Committee Structure – Coach Representative. Nominations have been completed for the coach representative. This will be presented to the board for approval at the Jan 2012 meeting. 3) PP Committee Meeting. Provincial Program Committee met on January 17, 2012 4) Spring Training Camp. Okanagan Valley Training Camp is scheduled for March 22 – 31, 2012, and will be a joint project with the Manitoba Triathlon Youth Team. Estimate 20-25 athletes attending this year. 5) 2011 Fees. 2011 fees are being cleaned up by Jayson & Twila. This has required going through each individual athlete and confirm all expenses & payments. 6) 2012 Fees. 2012 fees are under control. Athletes are currently receiving invoices for the 2011-2012 season for program fees. |
| Issues/Concerns/Recommendations: | <p>Provincial Program numbers continue to grow rapidly. As of Jan 2012, we are already at 22 athletes actively in the program (11 – Devo, 7 – Performance, 4 – High Performance) and estimate that numbers will be around 30-35 athletes this summer (~25 – Devo, 8 – Performance, 5 – High Performance). The large number and wide range of abilities is too much for one coach to look after, especially covering two disciplines. The Provincial program needs to hire a summer assistant coach to support the program to allow numbers to continue to grow, but also ensure all the athletes are getting full support with their own development. Additional funding is needed to help cover the estimated \$12,000 expense.</p> |
