

June 07, 2012 BMX Committee Meeting

Robert Nagy
Leith McLeod
Twila Pitcher
Seema Saini
Dave Dorning
Jason Carter

1 - Call to Order – 07:00pm

2 – Summary to Date - verbal

3 – BMX Clinic Discussion

ACTION items as a result of verbal summary

- 1 – **Rob** Add an optional email contact box to the BMX survey
- 2- **Rob** Get permission to use the BC Cycling New Rider Guide for BMX training
- 3- **Dave D.** and bikelab will build 6 BMX bike and we will discuss with WRENCH for the rest ***need dates for Dave's bike build.
- 4 – **Rob** Ask about liability insurance at North Centennial Rea creation for running BMX clinics and ask WASAC how they handle liability insurance with their programs
- 5 –**Rob** Ask Gary Swanson also about the liability insurance. If there are costs then we will need to incorporate them in clinic fees.
- 6 – Plan to do 6 clinics in the city.
- 7 – **Twila/Jason** Approach Bikefest for a booth to promote BMX racing on June 16th – **need volunteers.**

3 – BMX Club – talked about forming a BMX club with a \$45 membership fee to cover the basic MCA membership so we can get participant insurance.

ACTION – **Twila** will get membership costs for BMX race versus nonrace memberships

ACTION – **Twila** apply for BMX bingos to help fund memberships for underprivileged kids.

ACTION – **Dave** Apply for Heritage funding for further membership costs for underprivileged kids.

ACTION – **Dave** BMX bike maintenance program.

ACTION – **Rob** – check with Cara at WRENCH about the BMX bike building program

4 – BMX Clinics

Suggested to do Thursday evening sessions and Saturdays.

Dates: July 7th – Dry run to arrange the clinic

July 28th – Approach Boys and Girls Club – site possible at Freight House

August 9th – WASAC – site at North Centennial

August 23rd - ? – maybe demo at the Forks

ACTION- Andy R. – checkover the blue trailer as a possibility for moving the BMX equipment around.

- BMX Clinics will require minimum 5 people to run.
- 1 to man and operate the gate
- 1 to act as a setter
- pregate person
- course end person
- one of the 5 also responsible for first aid

ACTION- Rob – Contact Mathieu Boucher and Adam Muys to see if they have training manuals.
