

ROAD REPORT March 2012

Leah Kirchmann continues to do us proud, winning the silver medal in the road race at the UCI Pan Am Championships about 10 days ago and recently a crit in Tucson.

Unfortunately on the local front I haven't been on top of things as much as I'd like. Should be able to fix that now, but it brings me to the third point. Late last year before the AGM I proposed to the board that the road and cyclocross responsibilities be split. Before me no road coordinator has actually looked after cyclocross. I'll do my best with both for the remainder of the year, but it really is a large task. The positions should be split and I would like to take on an assistant who could be given some experience in the road position before potentially taking it on.
