<p>It has been a busy month so my notes will be brief.</p> <p>Activities:</p> <p>Habitat for Humanity (Muddy Waters) has chosen not to involve the MCA on the committee this year. There was little to no ROE for us anyway. We were not on any of their promo material.</p> <p>Bike to the Future Monthly meeting (minutes online as usual www.biketothefuture.org) Jason Carter was the special guest.</p> <p>Can-Bike Advisory committee meeting in Toronto (Minutes have not been finalized)</p> <p>Winnipeg Cycling Map final proof meeting Kevin Nixon (City) and Me. The Maps are beginning to be distributed by Natural Cycle Courier (my Job to coordinate). 25,000 of them being printed this year. If you have a need for maps please let Twila know. We will have a few hundred available shortly for the MCA events. We have an initial request for 16,000 (100 boxes).</p> <p>Bike to work day June 22nd, 4th meeting is tomorrow, I hope to confirm the MCA as having Pit Stop again this year. Jason had some good ideas in his email response.</p> <p>Cilovia /Manyfest Meeting: Working with Tim to put on a Crit at the Legislative grounds. Ciclovía is trying to secure the Leg for this.</p> <p>ATAC (Active Transportation Advisory Committee). As non of us know who will continue on this committee going forward, we are having our “Wrap up) gathering this Thursday evening.</p> <p>Olivia Chow (Wife of the late Jack Layton), It was a refreshing pleasure to meet with her this past Friday. There were 6 of us “advocates” and the topics went from mandatory side curtains on Trucks to how she can help pull a National Bike Advocate organization together. Thanks to Tom Mahon (BTTF) for pulling this together.</p>
