Comments & Updates	<p>Great article about Bike Valet and Cycle counts. Did you know that on any given 24 hour period there is over 24,000 riders going in and out of down town?</p> <p>http://www.uptownmag.com/news-and-views/marlo-campbell/We-want-to-ride-our-bicycles-165464396.html</p> <p>R &T involvement is slowing down as the seasons change but as kind of a last hurrah we(R&T) currently have close to \$900 in the bank to split with BTTF after our 1 Metre Please Jersey fundraiser winds down. We have only 9 left to pick up and 19 left with Bike Valet to sell at their events. This fundraiser sort of fell in my lap after I started talking with Joe (the founder of 3 Feet Please) after he contacted me to see if I would like to buy the inventory and rights for www.1meterplease.com. When it was clear this would not work he had an offer from Voler for his 3 Feet Please company and subsequently offered the remaining Jerseys to me for \$20 US each. I could not resist and the rest is history. I am looking for a supplier for next season to see if maybe we can do this again. Until then we will have 140 more 1 Meter Please Jerseys on the road. Thank you!</p>
