Mountain Bike Annual Report
Annual General Meeting
October 20,2012

Submitted By:	Dave Dorning – Mountain Bike Coordinator

Accomplishments

- Great Nationals results and experience gained by Manitoba Elite and Junior racers!

- Co-facilitated the race calendar setting meeting, established a fair and balanced race calendar while continuing to build a strong community partnership between race directors and the Road/Cyclocross Coordinator.

- A total of 15 mountain bike races spanned the race season from April - August: 5 cup races, 3 enduros, 5 midweek races and Provincials.

- A new partnership between Body Driven Sports, Alter Ego and the MCA lead to the rebirth of the Sandilands race.

- Supported a very successful joint Kids of Mud - Mountain Bike races initiative which saw kids participate in 4 of 5 cup races.

- All racer results have been posted

- Facilitated trail stewardship, maintenance and development of the Falcon Lake mountain bike trails.

- Directed Mountain Bike Provincials

Issues Resolved

- Despite the challenges of scheduling, weather and forest fires the quality of Cup races and events continues to improve. 2012 was a successful year for Manitoba Mountain Biking.

- Worked with mountain bike community members and the MCA to run a very successful Provincial event.

- Coach a very successful Team Gold Mountain Bike team at the Manitoba Summer Games.

Goals for Next Year

- Continue to improve volunteer base

- Maintain venues and build positive relationships with land owners (province, private owners etc).

- Continue to focus on relationship building with clubs, and race directors to establish a reliable race calendar.

- Continue to focus on the 'race experience' and facilitate the development of high quality Cup races and Enduro events.

- Work towards same day posting of results.

- Update all Mountain Bike related web content on the MCA web site.
