

# 2015 Wednesday Night Race

Presented by Alter Ego Cycling Club

## Race Results for May 6, 2015

Thank you to everyone who came out to the first Wednesday race of the season – the rain wasn't too bad! Shawn, Brad and Allan did a great job of marking the course and we hope you enjoyed the new format. We will continue with 1, 2 or 3 lap options for this race and the races will also be open to anyone, so please make sure you bring friends out. Our goal for this series is to encourage more riders to try racing.

Thank you to Monica, Karin and Moni who commissaired the race. Also special thanks to anyone who helped with tear down, we saw the Dalling/Jabs family helping out with this.

Next race is scheduled for May 20th.
