- Road Test Event (Birds Hill Park): Saturday, **May 13**
- Canada Summer Games: **July 18-Aug 13** (Road Events-Week Two)

CARAVAN TRAINING (ONLINE):

The objective of this training is to inform participants about basic rules for driving a vehicle in a cycling caravan. This training is mandatory for all caravan drivers and must be completed prior to your practical training which will take place on Wednesday May 3.

The module will take approximately 45 minutes to complete.

Training Cost: Free

PRACTICAL DRIVERS TRAINING:

WHEN:

Wednesday, May 03, 2017 (1800 – 2100). Please arrive at least 15mins early.

WHERE:

The MCA will provide details once you sign up.

WHO:

Jayson Gillespie (Provincial Cycling Coach) will be your learning facilitator. We need a minimum of 11 drivers (both cars and motorcycles). We currently have 9 drivers confirmed. Athletes on bikes will also be participating.

WHAT:

Bring: water, snack, pen, paper, [car or motorcycle](#)

HOW:

There will be a short classroom (approx. 45mins), followed by practical drivers training.

Each driver will drive their own car for training purposes. At the Games test event held in May and again at the Canada Games event this summer, cars will be provided.

Radios will be provided

Training Cost: Free

TECHNICAL LICENSE Upon completion of the training, each driver will be issued a Technical license.

The Caravan is one of the major priorities we will be testing at the Road Test event on Saturday, May 13.
