PROPOSED AMENDMENT

DIRECTORS

EXISTING MCA CONSTITUTION	PROPOSED AMENDMENT	EXPLANATION
# 12. (MOTION 3.0)		
<i>"The Directors and their re-elections cycles"</i>	Remove the BMX director position as a role within the MCA board of directors.	Postpone BMX as a director position until we gain more committee capacity and traction as a sport.
# 33. (MOTION 3.1)		
<i>"The activities of the Association will be organized and carried out by Standing and Ad Hoc Committees. Standing Committees will be responsible for the following areas of activity that are continuously needed by the membership".</i>	Remove BMX as a standing committee which has a reporting line into the MCA board of directors.	In alignment with the changes to #12 above, the standing committee chair would not have a role within the broader MCA board of directors. An ad-hoc committee can continue to operate in support of sport initiation and activities that promote the growth of BMX.
