

## **Registered Club Activities**

A tentative schedule of your Club rides must be documented and on record with the Manitoba Cycling Association to ensure insurance coverage for your activities. Ongoing submission as activities change is permissible provided the MCA is given reasonable notice (24-48 business hours) in writing. Please email <a href="mailto:cycling.ed@sportmanitoba.ca">cycling.ed@sportmanitoba.ca</a>.

Advance reporting of an activity indicates that some planning took place, that it is taking place under club rules, and that the club executive is aware of the activity. Activities should be posted to the club website. Activities not approved in advance will not be covered under the MCA's insurance banner.

All clubs are required to have a risk management plan in place to ensure the safety of their members: <a href="http://www.cyclinginsurance.ca/Risk-Management.html">http://www.cyclinginsurance.ca/Risk-Management.html</a>

Please email the MCA any weekly rides/activities that will be ongoing throughout the season. Submission of an activity does not guarantee acceptance for coverage. All activities must adhere to the Club's Regulations.

## Example:
