## **ASSEMBLY AND SEEDING**

Riders will assemble 10 minutes before the scheduled race start and will be seeded according to the race officials. They are all knowing, so don't mess with them.

## **TECHNICAL INFORMATION**

Regular Cyclocross rules will be enforced. For example, all racers in the 'A' and 'B' events (Cat 1/2/3 women and men) require a Cyclocross style bike. This means:

- Maximum width of tires = 33 mm
- Road style handlebars (NO straight bars)
- Maximum width of handlebars = 50 cm
- Citizen and C racers will be allowed to race on a mountain bike if you don't have a cross bike.
- A safe bicycle in good working order is required. The Commissaires can exclude bikes that are deemed unsafe. A proper cycling helmet must be worn...NO EXCEPTIONS.
- All racers must operate a bicycle with both front and rear working brakes.
- Riders shall act and race with caution and respect for their fellow racers. They shall be held responsible for any accidents that they cause.
- It is a racer's responsibility to know the race course and the number of required laps before the race starts. Marshalls are not obligated to give out directions to confused riders.
- If a rider exits the course for any reason, he/she must return to the course at exactly the same point from which they exited (i.e. do not cross over tape to re-enter the course).
- Sleeveless jerseys are NOT allowed.
- Handlebars must have end caps. Kickstands should be removed. Water bottle holders must be secured in appropriate locations on the bicycle frame or seat post.
- Before the race, know exactly where the finish line is situated. Your finish time is recorded on the finish line. Do not stop your race until you cross the finish line. Once finished, exit the area immediately.
- The finish line is for finishers. Never cross the finish line twice.

· If you leave the race for any reason you **MUST** alert one of the Commissaires as soon as you are able. It is not fun to look for a "lost" rider who has left the race course unannounced.

### **PRIZING**

For the top 3 of each race (men and women will be prized separately) prizes will be handed out while you are surrounded by your adoring fans.

### **OTHER**

Race is being held at a Provincial Park. Please treat the area with respect. The washrooms are for use of the toilet and washing your hands, not for cleaning dirty equipment or clothing. Leaving a mess will jeopardize our future use of this great facility.

**There is no liquor, or non-prescription drugs permitted at the event. As such, please don't bring, consume, or supply alcohol to others.**

### **RACE CANCELATION / REFUND POLICY**

If the race is cancelled for any reason, refunds may be considered on a case-by-case basis, less an administrative fee as costs to host this event are set if the race proceeds or not.
