Legend:

Yellow Highlights	Position up for election or re-election (8 in total)
Names in Green (far right)	Directors who are letting their name stand for another 2-year term (3 in total). Members may also run for these positions. A vote will occur if there is more than (1) person interested.
Red TBA	Positions MCA still need to fill. (5 in total)
Blue	New positions
Purple	Retired position

2023/2024:

As per the MCA By-laws (4.1), the composition of the board will consist of a minimum of six (6) and a maximum of thirteen (13) positions.

For the 2024 season there are a total of eight (8) positions (highlighted in yellow above) that are up for election/re-election including a race discipline sub-committee made up of three (3) race coordinators: Road/Gravel, Mountain Bike, and Cyclocross.

Board Positions:

The following [new](#) positions have been added:

- [Director of Competitions](#) (sub-committee: Race disciplines)
- [Director of Technical Development](#) (formerly Vice President)

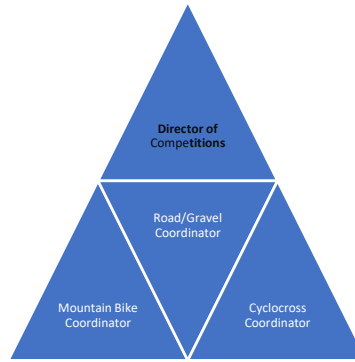

The following positions have been expanded or further clarified:

- Director of High Performance (formerly “Provincial Program”)
- Director of Youth Development (formerly “Kids of Mud”)
- Director of Finance (formerly “Treasurer”)
- Director of Cycling for All (C4A) (includes diversity, equity, inclusion)

See duties of directors ([Here](#))

Race Disciplines:

The goal is to recruit a Director of Competitions volunteer to help support the three race director positions. The race directors will continue to chair a race discipline committee for each of their sports. The Director of Competitions will assist with duties including leading the race calendar meeting for all sports, ensuring technical guides are updated, ensure overall communications are clear and concise, and attend monthly board meetings.

Director of Competition vs Director of Technical Development:

In addition to the (new) Director of Competitions role, we are adding a second (new) position, Director of Technical development.

<p>Director of Competitions</p> <ul style="list-style-type: none"> - Race Calendar - Technical Guides - Equipment/Maintenance - Race Director orientation - Monthly Board Meetings 	<p>Director of Technical Development:</p> <ul style="list-style-type: none"> - Coaches, Instructors - Learning Facilitators - Officials - Ride Leaders
