

MANITOBA CYCLING ASSOCIATION INC.

FINANCIAL STATEMENTS

MARCH 31, 2025

CHARTERED PROFESSIONAL ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT

To the Members of Manitoba Cycling Association Inc.:

Opinion

We have audited the financial statements of Manitoba Cycling Association Inc. (the Association), which comprise the statement of financial position as at March 31, 2025, and the statement of operations, statement of changes in net assets and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at March 31, 2025, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

MANITOBA CYCLING ASSOCIATION INC.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2025

1. Nature of the Association:

The Manitoba Cycling Association Inc. is a private Association incorporated under the Manitoba Corporations Act in December 1980. The Association has no authorized share capital and operates without pecuniary gain to its members. Any profits accrued by the Association are used to further its undertaking. The Association operates as a not-for-profit association to advance athletes along the performance pathway and develop partnerships to promote the growth of cycling in Manitoba.

2. Summary of significant accounting policies:

a) Basis of accounting

The financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations.

b) Fund accounting

In order to ensure observance of limitations and restrictions placed on the use of resources available to the Association, the accounts are maintained on a fund accounting basis. Accordingly, resources are classified for accounting and reporting purposes into funds. These funds are held in accordance with the directives issued by the Board of Directors.

Six funds are maintained: Unrestricted, Invested in capital assets, Contingency fund, Development fund, the Asset replacement fund and the Erick Oland Memorial fund.

The Unrestricted fund is used to account for revenue and expenses related to general operations of the Association.

The Invested in Capital Assets fund is used to account for all capital assets of the Association and to present the flow of funds related to their acquisition and disposal.

The Contingency fund is used to allocate a small amount of money for unforeseen future purchases and expenses.

The Development fund is used to support the development of racing infrastructure and expertise for members of the Manitoba Cycling Association Inc. This support focuses on race venue, commissaire and coaching development and for activities which demonstrate value-added benefits to the cycling community.

The Asset Replacement fund is used to account for funds designated to replace aging or obsolete capital assets.

The Erick Oland Memorial fund consist of funds donated to the Association in memory of Erick Oland Sr, founder of the Manitoba Cycling Association Inc. in 1980. These funds have been restricted for the purpose of Cycling Youth Development.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2025

2. Significant accounting policies (continued):

c) Revenue recognition

The Association follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted donations and grants are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Membership and participant fees are recognized as revenue in the year earned.

d) Cash

Cash consists of cash on hand and bank balances.

e) Inventory

Inventory is valued at the lower of cost, determined on a first in first out basis, and net realizable value. Inventory consists of clothing available for sale, and supplies used for races.

f) Capital assets

Capital assets are recorded at cost and amortized over their estimated useful lives, except for contributed assets which are recorded at fair market value at the time of the contribution plus all costs directly attributable to the acquisition. This requires estimation of the useful life of the asset and its salvage and residual value. When a capital asset is impaired, the excess of its net carrying amount over the asset's fair value or replacement cost is recognized as an expense. As is true for all accounting estimates, it is possible that changes in future conditions could require changes in the recognition amounts for accounting estimates.

Capital assets are amortized on a straight-line basis over an estimated useful life of 5 years.

g) Contributed services and materials

The Association receives a significant amount of volunteer time and effort as well as donated materials and supplies to assist in carrying out its activities. Contributed goods and services are not recognized in the financial statements because of the difficulty in determining their fair value.

h) Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary.

Management has estimated the value of the inventory based upon their assessment of the realizable amount less selling costs.

Amortization is based on the estimated useful lives of capital assets.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in operations in the periods in which they become known.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2025

2. Significant accounting policies (continued):

i) Financial instrument measurement

The Association initially measures its financial assets and financial liabilities at fair value. It subsequently measures all its financial assets and financial liabilities at amortized cost.

The financial assets subsequently measured at amortized cost include cash, restricted cash and accounts receivable. The financial liabilities measured at amortized cost include accounts payable and accrued liabilities. Transactions costs are expensed when incurred.

3. Capital assets:

	2025		2024	
	Cost	Accumulated Amortization	Cost	Accumulated Amortization
Automotive	\$ 47,328	\$ 47,328	\$ 47,328	\$ 41,807
Computer equipment	6,920	4,571	6,920	3,510
Equipment	29,528	27,343	27,659	26,923
Office equipment	6,746	6,746	6,746	6,746
	<u>\$ 90,522</u>	<u>\$ 85,988</u>	<u>\$ 88,653</u>	<u>\$ 78,986</u>
Net book value	<u>\$ 4,534</u>		<u>\$ 9,667</u>	

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2025

4. Deferred revenue:

Deferred revenue represents restricted operating funding received in the current period but is related to expenses of future periods.

	\$ 81,837	\$	60,674	\$	(39,657)	\$	102,854

5. Financial instrument risk management:

The Association is exposed to different types of risk in the normal course of its operations, including credit risk and market risk. The Association's objective in risk management is to optimize the risk return trade-off, within set limits, by applying integrated risk management and control strategies, policies and procedures throughout the Association's activities.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2025**

5. Financial instrument risk management (continued):

Credit risk

Credit risk is the risk that one party to a financial instrument fails to discharge an obligation and causes financial loss to another party. Financial instruments which potentially subject the Association to credit risk consists principally of investments and accounts receivable.

The Association is not exposed to significant credit risk as the receivable is spread among a broad client base and payment in full is typically collected when it is due. The Association establishes an allowance for doubtful accounts that represents its estimate of potential credit losses. The allowance for doubtful accounts is based on management's estimates and assumptions regarding current market conditions, customer analysis and historical payment trends. These factors are considered when determining whether past due accounts are allowed for or written off.

Liquidity risk

Liquidity risk is the risk that the Association encounters difficulty in meeting its obligations. Liquidity risk includes the risk that, as a result of operational liquidity requirements, the Association will not have sufficient funds to settle a transaction on the due date; will be forced to sell financial assets at a value, which is less than what they are worth; or may be unable to settle or recover a financial asset. Liquidity risk arises from accounts payable and accrued liabilities.

6. Economic dependence:

The Association receives a significant portion of its revenue in the form of funding from Sport Manitoba each year. The Association's ability to continue its activities is dependent upon the continuation of this funding support.
