*Nominations from the floor: An individual will be permitted to be nominated from the floor for elections as a Director at a meeting of the members. Such nomination will require a nominator and seconder from the voting members present and will also require attendance at the meeting and verbal or written acceptance of the nomination by the individual.

"Voting Members who are **18 years old** or older at the time of the meeting of the Members may exercise their own vote. Voting Members who are **younger than 18** years old at the time of the meeting may have their vote exercised at meetings of Members by a parent or guardian. For clarity, a parent or guardian with multiple children registered with the Corporation who are younger than 18 years old may exercise one vote per child. Also, two parents/guardians of the same child who is registered with the Corporation and who is younger than 18 years old may both attend a meeting of the Members but may only exercise one vote. "
